## **Podcast: Going Global? Top 5 Labor and Employment Concerns for Multinational Businesses**

Article By:

Diana J. Nehro

---

In this episode, Diana Nehro, a shareholder in Ogletree Deakins' International Practice Group, covers five of the most significant labor and employment concerns for multinational companies.

Tune in for a discussion about managing the absence of at-will employment outside the U.S., cross-border investigations, globalizing policies, cost-effectively managing mobility assignments, and creating consistent global sales incentive plans.
