Techplace Tickler: eDiscovery Challenges in a Remote Work Environment

Article By:

Danielle Ochs

In the first episode of our Techplace Tickler series, Danielle Ochs, Tom Lidbury, and Traer Cundiff discuss various eDiscovery-related issues that have arisen during the COVID-19 pandemic when many people are working remotely. They cover data security concerns while working from home, remote document review, and best practices for collecting, capturing, and transferring data remotely.
