## California COVID-19 Series: Employment Litigation During the COVID-19 Pandemic

Article By:

Joseph L. Beachboard

Linda Claxton

---

In this episode of our California COVID-19 series, Joe Beachboard and Linda Claxton discuss the state of employment litigation in California and the changes brought about by the COVID-19 pandemic. They address the current landscape for handling mediations, discovery, and motions, as well as tips for managing the many litigation-related challenges that have arisen due to remote work, court closures, and shifting business needs.
