

COVID-19: US State Policy Report – June 15, 2020

Article By:

Jeffrey L. Turner

David C. Blake

This report captures the shifting state, territorial and local government policies and guidance in response to the COVID-19 pandemic and reopening of the economy in the US by tracking public information from official sources, such as gubernatorial comments, executive actions and guidance.

The following states have new or updated information: Arkansas, Colorado, Illinois, Kansas, Maine, New Jersey, New York, Tennessee, Texas, and Vermont.

Hereinafter, for ease of reference, the term “state” will refer to all US states, territories and the District of Columbia.

New Documents Released on June 15, 2020

- **Arkansas:**
