## **Global Solutions, Episode 13: New Support Initiatives to Maintain Workforces During the COVID-19 Pandemic**

Article By:

Justin T. Tarka

---

In this episode of the Global Solutions series, Justin Tarka and Ryan Martin discuss a variety of government programs and subsidies in Singapore, Brazil, Canada, the United Kingdom, Germany, and across Europe to maintain workforces during the strain of the COVID-19 pandemic. The speakers also discuss new legislation regarding reductions in force and redundancies, wage support initiatives, and increased unemployment benefits.
