Congress Passes Omnibus Bill and Continuing Resolution Keeping Government and Vital Programs Such as EB-5 and E-Verify Operational

Article By:

Laura Foote Reiff

Congress passed a short-term extension of the EB-5 Regional Center Program that will extend the program through June 30, 2021. This extension will decouple the EB-5 program from immigration programs including E-Verify, Conrad 30 Waiver Program for J-1 medical doctors and non-minister religious workers programs that are extended through Sept. 30, 2021.

Congress has sent a clear message regarding the EB-5 Regional Center program – the program must be reformed over the next six months.
