The Current Environment for Non-Compete Agreements – Employment Law This Week [VIDEO]

Article By:

Employment, Labor, Workforce Management

As featured in [#WorkforceWednesday](#): There has been a wave of legislation restricting non-compete agreements in the states, as well as a focus on such agreements at the federal level.

The continued shift towards [remote work](#) has also complicated non-competes.

How do employers maintain compliance? Attorney **Erik Weibust** tells us more.
