Energy & Cleantech Episode 1 - Will We Take the Risk?: The Future of Renewable Energy [PODCAST]

Article By:

Sarah A. W. Fitts

In the inaugural Energy & Cleantech podcast series, Sarah A. W. Fitts speaks with *We Took the Risk* (Expected Publication - Fall, 2022) author and renewable energy thought leader Tom Weirich about the future of renewable energy and the characteristics needed to encourage innovation in the industry.
