The [China National Intellectual Property Administration](#) (CNIPA) will be closed from October 1, 2022 to October 7, 2022 for the [Chinese National Day holiday](#). All official patent deadlines falling on the above dates will be automatically extended to October 10, 2022. Note that October 8 and 9, 2022 will be work days and CNIPA will be open. Accordingly, please provide your Chinese counsel with instructions for actions due as soon as possible to avoid a rush immediately after the holiday.

Chinese National Day celebrates the founding of the People's Republic of China (PRC) in 1949.
