Webinar Recording: Navigating Today's Privacy Compliance Landscape [VIDEO]

Article By:

Cynthia J. Larose

The privacy compliance landscape has changed significantly in 2022. These acronyms have joined the CCPA, HIPAA, and GDPR in the privacy alphabet soup: CPRA, VCDPA, CDPA, CPA, and UCPA. Do you know what they all mean for your company and what they will require in order to be compliant?

In this co-sponsored webinar, hosted by Mintz and ACC-NE, Cynthia Larose, Chair of Mintz's Privacy and Cybersecurity PRactice and Maureen Hernberg, who leads McKinsey's Privacy Compliance function will help guide you through the new requirements and a rapid-fire summary on:

- New and upcoming privacy requirements in the US that could have operational impacts on your company
- Key data transfer requirements impacting companies active in the EU or UK
- Recent enforcement trends
- Key privacy takeaways for 2022 into 2023
