In an update on its EEO-1 Component 1 Data Collection landing page, EEOC announced

> "the 2022 EEO-1 Component 1 Data Collection is tentatively scheduled to open in **mid-July 2023**. Updates regarding the 2022 EEO-1 Component 1 Data Collection, including the opening date, will be posted to www.eeocdata.org/eeo1 as they become available."

Last year the reporting period began in April.

We will keep monitoring developments in this area and will update as more information becomes available.
