Gender-affirming care has become the latest flashpoint in state legislatures and state and federal courts across the nation.

States are divided, with some passing laws that seek to restrict access to gender-affirming care and others aiming to protect access.

What is gender-affirming care? What risks does it pose to providers and patients? On this episode, Epstein Becker Green attorneys **Jenny Nelson Carney**, **Lisa Pierce Reisz**, and **Erin Sutton** dissect gender-affirming care: what it is, what it isn't, and what is at stake for everyone involved.
