This week, we're interpreting the U.S. Department of Labor's (DOL's) recently updated cybersecurity guidance for all employee benefit plans covered under the Employee Retirement Income Security Act (ERISA).

The DOL recently clarified that its 2021 cybersecurity guidance applies to all ERISA-covered employee benefit plans, including health and welfare plans. This clarification raises important questions for employers regarding compliance and security.

Epstein Becker Green attorneys [Brian G. Cesaratto](#) and [Samuel C. Nolan](#) provide their analysis of the key cybersecurity considerations and best practices for risk mitigation that employers should consider in light of the updated guidance.
