## **Private Market Talks: Bringing Private Credit to the Wealth Channel with Nomura Capital Management's Robert Stark [Podcast]**

Article By:

Peter J. Antoszyk

---

In our first episode of 2025, we speak with Robert Stark, CEO of Nomura Capital Management, who has been building a private credit business and expanding Nomura's investment management capabilities in the Americas. During our discussion, we learn how he successfully launched the platform in a highly competitive market and how Nomura has been able to activate its network of registered investment advisors to bring private credit to the private wealth channel.
