Safety Perspectives From the Dallas Region: Trump Executive Orders and Their Impact [Podcast]

Article By:

Frank D. Davis

John Surma

In this inaugural episode of 2025 for our *Safety Perspectives From the Dallas Region* podcast series, shareholders John Surma (Houston) and Frank Davis (Dallas) discuss President Trump's new executive orders and their impact on the Dallas region. Frank and John address staffing issues arising from the hiring freeze, explore the "fork in the road" email regarding deferred employee resignations, and examine the return-to-work executive order, among other topics.
