Safety Perspectives from the Dallas Region: Staying Safe During Texas Wildfire Season [Podcast]

Article By:

Frank D. Davis

John Surma

In this episode of our Safety Perspectives From the Dallas Region podcast series, shareholders John Surma (Houston) and Frank Davis (Dallas) discuss the critical topic of workplace safety during wildfire season. With Texas currently facing significant wildfires, Frank and John discuss essential OSHA guidelines, preparedness steps, and emergency action plans to ensure the safety of employees in affected areas.
