## **Workplace Strategies Watercooler 2025: Bringing People Together During Changing Times [Podcast]**

Article By:

Luther Wright, Jr

---

In this installment of our *Workplace Strategies Watercooler 2025* podcast series, Luther Wright offers listeners an engaging discussion on how employers can create a cohesive and resilient workforce in the face of change, conflict, and uncertainty. Luther, who is the office managing shareholder of Ogletree's Nashville office and the firm's Assistant Director of Client Training, shares strategies for strengthening team connections, enhancing communication, and maintaining a positive work culture during uncertain times. He also provides actionable insights on leading through change while promoting unity and collaboration throughout the organization.
