Post Holiday Trademark Sale!!!!!!!

Article By:

Kurt E. Anderson

The USPTO announced that they are having a sale. You can save \$50 per class on all new trademark registration applications and \$100 on all renewals. The Final Rule issued on December 16, 2014 announced that trademark filing fees will be reduced.

Small Print: Unfortunately, the discounts will not be effective in time for the holidays. The new discounted fees don't kick in until January 17, 2015. In the good news department, the discounts will continue thereafter!
