Pacific Gas and Electric RAM 6 Process Opens

Article By:

Thomas McCann Mullooly

Justus J. Britt

Pacific Gas and Electric (PG&E) is now accepting applications for PG&E's *Sixth Renewable Auction Mechanism (RAM) Request for Offers (RFO)*, known as "**RAM 6**". The RAM 6 RFO is available to renewable electric energy generating facilities between 3 MW and 20 MW. Additional Offer qualification criteria can be found in the PG&E Protocol for the RAM 6 RFO located on PG&E's RAM 6 website.

PG&E will host a Participants' Webinar for RAM 6 on Tuesday, July 14, 2015, from 9:00 A.M to 11:00 A.M. PPT. Pre-registration required prior to 5:00 p.m. PPT on Monday, July 13, 2015.

Bidders must register and be accepted through the Power Advocate platform before submitting an offer into the RFO. The deadline for applicants to submit their bids into the RAM 6 RFO is 12:00 p.m. (noon) Pacific Prevailing Time (PPT) on August 21, 2015.

PG&E's RAM 6 RFO website, through which the above described information and further details on how to apply may be found, can be accessed by clicking on the link [here](#).
