Applications are being accepted for the [2016 Cleantech Open Northeast](#) and the return of its start-up accelerator program. Open to startups at all stages of development, the accelerator program is excited to begin the search for the next crop of cleantech companies that are prepared to take advantage of the opportunities provided by the program. The Cleantech Open seeks startups working in a wide of technologies, including generation, storage, information and communication technologies, agriculture, and green building.

The Cleantech Open Northeast offers cleantech entrepreneurs the chance to receive world-class mentoring, increased networking and visibility, and hands-on training. Entrepreneurs are also competing for 5 winning packages of \$15,000, as well as 5 national prizes and one top national grand prize of \$100,000 for investment and services.

All applications are due May 1, but apply by the April 1 early bird deadline to receive a discount on the application fee. [Click here](#) to register and begin the application process today!
