Article By:

Edward M. Kennedy, Jr.

Lynn Shapiro Snyder

Mark E. Lutes

This video takes a look at the latest trends and new developments in health care investment from a variety of (legal, regulatory, and policy) perspectives. Using their vast experience and business understanding of the health care and life sciences industry, these attorneys discuss how financial services, private equity, and venture capital firms can make more informed investment decisions.

This video explores trends relating to the following:

- Medicare & Medicaid
- Reimbursement
- Accountable Care Organizations
- Value-Based Payments
- The Affordable Care Act
- Health Insurance Exchanges
