## **Patent Prosecution in the PTAB Era: Prosecuting Patents that Survive PTAB Scrutiny [VIDEO]**

Article By:

Jason D. Eisenberg

Jeremiah B. Frueauf

Mark W. Rygiel

---

Our directors share several insights learned from PTAB practice that must be considered when developing an effective patent prosecution strategy. Webinar participants learned what it takes to gain allowance for patents geared toward surviving PTAB scrutiny. Recommended strategies consider the global outlook, as well as the advances in 'big data' that can improve patent resiliency when developing IP portfolios in the PTAB era.
